

# FIELD OF DREAMS

POWERED BY:

**ExxonMobil**

Probably the most memorable outing a youth team can have at the ballpark is through the Field of Dreams program, which gives kids the chance to actually take the field with the Rougarou!

Every game, one team may pre-arrange to participate as the Rougarou Field of Dreams team. Prior to the game, the team will assemble on the field, in uniform. As the Rougarou starting lineup is announced over the PA system, the youth team lineup will also be introduced – and the kids will run out to their positions with the Rougarou! The children will remain in position through the National Anthem, then return to their seats for an exciting night of Rougarou baseball.

Teams will receive a ticket for the players and coaches and parents can purchase their tickets for 50% Off (\$5), but keep in mind space is limited so book early!
