

BECOME A ROUGAROU HOST FAMILY!

The Baton Rouge Rougarou are looking to add families in the area to our Host Family Program to house players as we kick off our inaugural season!

Since most of our players are from out of the area, we are looking for families who will provide an atmosphere for our players that is like a home away from home.

BENEFITS OF BEING ROUGAROU HOST FAMILY:

- Free reserved season tickets for entire immediate family in a special section of the ballpark reserved exclusively for host families.
- Free Kids Zone Passes for children
- Special Pre-Season Welcome party with your host players
- Special recognition on field at a select home game

The players and staff of the Baton Rouge Rougarou are incredibly grateful for all our host families and we hope you will consider this wonderful opportunity!
